

# MLC MARLINS SUMMER CALENDAR

The summer calendar highlights key carnivals and events for the MLC Swim Team.

It is impossible to send coaches to every carnival. The coaches choose appropriate carnivals to target throughout the season. MLC coaches will whenever possible endeavor to provide support to swimmers at the

targeted meets. Including warm ups, swim downs, race analysis and even video support. Not all coaches attend every meet

Swimmers can enter non-targeted meets, but **must enter directly to the club running the meet**. Do not put entries in the club box.

MLC Marlins also has a number of social event including the christmas party and the presentation night.
